

Your Congregation's Plan for Mission Support 2018

As your congregation approves a budget for 2018, please consider the following:

How does your congregation share a living, daring confidence in God's grace?

How does your congregation express gratitude for God's grace?

How does your congregation practice generosity?

How does your congregation teach members about proportionate giving as a grateful and generous response to God's blessings?

Do your members understand how the three expressions of this church (congregation, synod, and churchwide ministries) work together to share God's love in the world?

What portion of your congregation's annual offerings will be shared with the synod and churchwide ministries for mission beyond your congregation?
