

# Mission Support & Designated Giving

The following table presents the Mission Support and designated gifts received between February 1, 2017, and January 31, 2018. Some congregations refer to Mission Support as Proportionate Share or Benevolence. These funds support the work of the Synod and the ELCA. The Sierra Pacific Synod forwarded 36% of the Mission Support received each month to Chicago to support the work of the whole church.

Designated Giving includes contributions that congregations send to the Synod for Ministry Partners, Sister Synods, or Churchwide for distribution to ELCA missionaries and programs such as World Hunger, Lutheran World Relief, Good Gifts, and Disaster Response. These contributions are forwarded to the designated recipients the month after they are received by the Synod. In addition to the designated gifts sent through the Synod, congregations support agencies, institutions, and programs in their local communities.
